Title I, Section 102 - \$6,799,430.00

A State shall use the funds provided under a payment under this section (either directly or as reimbursement, including as reimbursement for costs incurred on or after January 1, 2001, under multiyear contracts) to replace punch card voting systems or lever voting systems (as the case may be) in qualifying precincts within that State with a voting system (by purchase, lease, or such other arrangement as may be appropriate) that--

- A. does not use punch cards or levers;
 - 1. is not inconsistent with the requirements of the laws described in section 906; and
 - 2. meets the requirements of section 301.

Title II, Section 251 - \$47,195,971.00

In accordance with HAVA Section 251 (b), these funds are to be used only to meet the requirements of HAVA Title III, except that the state may use these payments to carry out other activities to improve the administration of elections for Federal office.

The State may use a requirement payment:

1. As a reimbursement for costs incurred in obtaining voting equipment which meets the requirements of section 301 (voting systems standards) if the state obtains the equipment after the regularly scheduled general election for Federal office held in November 2000, notwithstanding the Act's maintenance of effort requirements and
2. For any costs for voting equipment which meets the requirements of section 301 that were incurred pursuant to a multi-year contract on or after January 1, 2001, except that the amount that the State is otherwise required to contribute under the maintenance of effort requirements must be increased by the amount of the payment made with respect to such multi-year contract.

5% State Match - \$2,359,798.55

To received section 251 funds, the State had to provide a 5% match of the \$47,195.971.00
